

Bayview Elementary Families – Welcome to the 2020-2021 school year!

Welcome to a new and exciting year of school and a new year of PTA. The 2020 - 2021 school year will truly be unlike any other. As we start this special year together during these historic times, please remember the mission of the PTA - to positively impact the lives of children and families.

If this is your first year at Bayview Elementary, I would like to extend a very warm welcome to each of you. If you are a seasoned Bayview family, I know that you are as excited as I am to be getting the kids back to school. Whether a new PTA member or a returning member, we thank you for your contributions, time, and commitment to our organization, our teachers, and most importantly, our students! As a member of the Bayview PTA, you are a voice for our kids and part of the largest child advocacy program in the world. It really is a rewarding experience!

As we start this year, I am looking forward to continuing the working partnerships we have established with our amazing leadership, Principal Frost and Assistant Principal Murphy, teachers and staff. We will continue to provide an excellent learning experience for our children with the support of our members. I encourage each and every one of you to become a part of the PTA team! Support the Bayview PTA by joining today! You will be added to our distribution list and will receive information via our communication platform MemberHub. Use the link below, the cost is \$10/person or \$20/family. Staying connected is more important than ever.
